Easy Granny Afghans

Jacob's Ladder Ripple Afghan

By Heather of [Mama's Stitchery Projects](#)

We sure do love this afghan, and so will the men in your life! Jacob's Ladder Ripple Afghan is a classic ripple afghan that is easy to make and wonderful to enjoy. Choose whatever colors you prefer to customize the look of this easy crochet afghan.

Finished Size: Can be made in any size. Three widths are given in the directions.

MATERIALS:

- Worsted weight yarn (1000 grams/35 ounces/1900 yards for a 39" by 60" afghan) Green, and Lilac
- Size H (5 mm) crochet hook

SPECIAL STITCHES:

- dc3tog - double crochet 3 stitches together (uses three stitches, decreases by two stitches) – [Yarn over, insert hook in next stitch, yarn over and pull up loop, yarn over, draw through 2 loops] 3 times (4 loops on hook), yarn over, draw through all loops on hook.

INSTRUCTIONS:

The beginning chain should be a multiple of 24 plus 1.

For these widths, start with this number of chains:

33.5" = 145

39" = 169

44.5" = 193

Row 1: 2dc in 4th chain from hook, dc in next 6 ch, dc3tog (uses 3 ch), dc in next 2 ch, dc3tog ** dc in next 6 ch, 3dc in next ch, dc in next two ch, 3dc in next ch, dc in next 6 ch, dc3tog (uses 3 ch), dc in next 2 ch, dc3tog. Repeat from ** across to last 7 chains. Dc in next 6 ch, (2dc, tr) in last ch. Turn.

Row 2: Ch3 (counts as a dc), 2dc in tr, dc in next 6 dc, dc3tog in next three stitches, ch10, skip 2 dc, dc3tog in next three stitches, ** dc in next 6 dc, 3dc in next dc, ch10, skip 2 dc, 3dc in next dc, dc in next 6 dc, dc3tog in next three stitches, ch10, skip 2 dc, dc3tog in next three stitches. Repeat from ** across to last 6 dc and turning chain. Dc in next 6 dc, (2dc, tr) in top of turning chain. Turn.

Row 3: Ch3 (counts as a dc), 2dc in tr, dc in next 6 dc, dc3tog in next three stitches, ch10, skip ch10, dc3tog in next three stitches, ** dc in next 6 dc, 3dc in next dc, ch10, skip ch10, 3dc in next dc, dc in next 6 dc, dc3tog in next three stitches, ch10, skip ch10, dc3tog in next three stitches. Repeat from ** across to last 6 dc and turning chain. Dc in next 6 dc, (2dc, tr) in top of turning chain. Turn.

Repeat row 3 until afghan is desired length. Work the last three rows as follows:

Second to last row: Ch3 (counts as a dc), 2dc in tr, dc in next 6 dc, dc3tog in next three stitches, ch6, skip ch10, dc3tog in next three stitches, ** dc in next 6 dc, 3dc in next dc, ch6, skip ch10, 3dc in next dc, dc in next 6 dc, dc3tog in next three stitches, ch6, skip ch10, dc3tog in next three stitches. Repeat from ** across to last 6 dc and turning chain. Dc in next 6 dc, (2dc, tr) in top of turning chain. Turn.

Next to last row: Ch3 (counts as a dc), 2dc in tr, dc in next 6 dc, dc3tog in next three stitches, ch6, skip ch6, dc3tog in next three stitches, ** dc in next 6 dc, 3dc in next dc, ch6, skip ch6, 3dc in next dc, dc in next 6 dc, dc3tog in next three stitches, ch6, skip ch6, dc3tog in next three stitches. Repeat from ** across to last 6 dc and turning chain. Dc in next 6 dc, (2dc, tr) in top of turning chain. Turn.

As you work the last row, you will need to draw up the loops of each loop column as you come to it. Starting at the bottom of the column, pull the first over the second and pull the second loop through it toward the front. Then pull that loop over the third loop and pull the third loop through to the front. Continue in this way up the column. You will

then make stitches from the last row in this top loop to secure it.

Last row: Ch3 (counts as a dc), 2dc in tr, dc in next 6 dc, dc3tog in next three stitches, loop the column to the top and make 2 dc in top loop, dc3tog in next three stitches, ** dc in next 6 dc, 3dc in next dc, loop the column to the top and make 2 dc in top loop, 3dc in next dc, dc in next 6 dc, dc3tog in next three stitches, loop the column to the top and make 2 dc in top loop, dc3tog in next three stitches. Repeat from ** across to last 6 dc and turning chain. Dc in next 6 dc, (2dc, tr) in top of turning chain. Finish off and weave in end.

The blanket can be made in a solid color or can be made with any number of color changes. The best way to make a color change is to finish all but the very last pull through of the two loops of the last triple crochet of a row. Cut yarn with a few inches of tail and join with new color next to stitch. Pull new color through last two loops. Weave in ends.

Intermediate Afghan Patterns

Manly Sports Lapghan

By [Crochet With Cris](#)

The sports fan in your life will love this crochet free pattern. Have a beer, enjoy the game and curl up with this Manly Sports Lapghan. Match the colors of this afghan to the colors of his favorite sports team!

Finished Size: Approximately 31" wide and 52" long 9 (gauge is not important and you are encourage to modify the pattern to be exactly the dimensions you need. This is a multiple of 1 pattern so you can add and subtract width as needed to fit your needs.)

MATERIALS:

- Crochet hook, J
- 3 skeins Red Heart Super Saver Royal (Color A)
- 2 skeins Red Heart Super Saver Pumpkin (Color B)

NOTE:

The sports fan in your life doesn't have to be an Illini fan to make this lapghan. If he or she likes a different team, just find those two colors and replace Color A with the darker of the 2 colors and make Color B the lighter of the two. Simple as that.

ABBREVIATIONS:

ch = chain
st = stitch
sc = single crochet
hdc = half double crochet
bp-hdc = back post half double crochet

The difference of a bp-hdc to a regular hdc is that the hdc is done using the top two loops of the stitch below it. The bp-hdc is done by inserting your hook around the back side of the work, around the post of the stitch below, and pulling your yarn through (as illustrated you can see where the needle should be).

The bp-hdc creates a raised "ridge" down the work by pushing the top loops of the stitch forward. All the bp-hdc ridges are on the same side of the lapghan to give an interesting stripe within a stripe texture.

NOTE:

A "stripe" is defined as a block of the same color. A single stripe consists of multiple rows of a single color.

INSTRUCTIONS:

STARTING STRIPE (Use Color A)

stripe 1

Ch 126 (or whatever number you feel fits the width needed for your lapghan)

Row 1

sc in 2nd ch from hook

sc in every st until you reach the end

Row 2

ch 2 and turn work

hdc down the row

Row 3

ch 2 and turn work

bp-hdc down the row until you get to the ch 2 (from previous row)

hdc in ch 2 to finish row

Row 4 - 6

ch 2 and turn work

hdc down the row

Row 7

ch 2 and turn work

bp-hdc down the row until you get to the ch 2 (from previous row)

hdc in ch 2 to finish row

Tie off and attach Color B where you tied off

REGULAR STRIPE (in color opposite of previous stripe)

stripes 2 - 20

Row 1

ch 2 and turn work

hdc down the row

Row 2
ch 2 and turn work
bp-hdc down the row until you get to the ch 2
(from previous row)
hdc in ch 2 to finish row

Row 3 - 5
ch 2 and turn work
hdc down the row

Row 6
ch 2 and turn work
bp-hdc down the row until you get to the ch 2
(from previous row)
hdc in ch 2 to finish row
tie off and attach the other color where you tied off

REPEAT the REGULAR STRIPE row pattern until you reach the length you desire. Using 2 skeins of each color, approximately ____ "regular stripes" (not counting starting stripe) should be able to be completed before doing your finishing stripe. Your regular stripe pattern repetitions will stop with Color B so you can finish the last stripe in the darker color.

FINISHING STRIPE (Use Color A)

stripe 21
Repeat Rows 1-6 of the regular stripe pattern but do not tie off at the end of row 6

Row 7
ch 2 and turn work
hdc down the row

If you do not want to put an edging on your lapghan, you can snip the yarn and tie it off now. Weave in all your ends and your lapghan is done. I prefer to edge practically everything I make so if you are wanting to edge your piece, do not snip the yarn.

EDGING:

edge row - Color A
ch 1 (at the corner) - do not turn the piece
1 sc into the cornr
*sc down the side of the piece
in next corner, put in 2 sc, ch 2, 2 sc*
repeat between * until you make it back to your starting corner.
for the final corner, put 2 sc into the starting st, ch 2 and sl to close
tie off

You can stop the edging after one row or continue on with more rows of sc either alternating colors OR in the darker of the two colors.

WAYS TO MODIFY THIS PATTERN:

1. You can increase the hdc rows between the bp-hdc rows in the stripes to make the overall stripe width wider. If you choose to increase the thickness of the stripes, you have to increase it by 2 more hdc rows at a time. The number of hdc rows between the bp-hdc rows must be an odd number.
2. By making a longer starting chain, you will have a wider lapghan
3. Making a wider and longer lapghan turns it into a very warm afghan for any bed.
4. Add fringe
5. Make your chain length the actual length of the lapghan instead of the width and you will have vertical stripes instead of horizontal (in relation to your lap)

Remember - if you modify the width of the stripes of the lapghan itself, you will need more than the 2 skeins of each color.

Amore Tiles

By Marilyn Coleman for Coats & Clark

If Europe holds a special place in his heart, then maybe he will appreciate this Amore Tiles blanket. It is reminiscent of architecture seen in Italy and Greece, but it will be right at home at your house too. The free easy afghan crochet pattern is written for beginners, so what are you waiting for? Remind him of those special memories from your European vacation with this easy crochet afghan pattern.

Finished Size: Approximately 43" x 60"

MATERIALS:

- TLC® "Amoré™" yarn, 3 colors:
- Crochet hook, 1.5mm [US H-8]
- 1 Tapestry needle

GAUGE:

Square = 6½" x 6½"; 8½" across the diagonal.
CHECK YOUR GAUGE. Use any size hook to obtain the gauge.

Special Stitches

Htr: half treble (yoh x 2, poke through indicated st and draw through a loop, yoh and draw through 2 loops on hook, yoh and draw through 3 loops on hook).

4-dc: 4 dc bobbles (1 dc, 3 dc into bottom of this dc, remove hook from loop and reinsert in first dc, draw loop through, ch 1 tightly).

A Note on Joining-Motifs-As-You-Go

On the final round decide where you need to join to another motif. Work the stitch you'll want to join. Drop the loop from the hook. Pull it up through the top of the stitch you want to join it to on the other motif. Work the next stitch on your current motif. Repeat. You will get a very tidy attractive seam that is as flexible as the rest of your work. You can vary this if you like by pulling the loop down through the top of the stitch you want to join to. This produces the reverse effect and is very nice in its own right. (Aha! If you just thought that this must mean both sides of your work will look good using this method you are right).

INSTRUCTIONS:

Pattern

Start with a ring made by wrapping the tail of the yarn clockwise around your finger or thumb three times. You will start the first of your chain by drawing the working end up through the ring to form the first loop. At the end of your first round you can tighten the ring to the perfect size.

Round 1: With Color A ch 3, 4 dc in ring, remove hook from loop, insert hook in 3rd st of ch 3 and draw loop through, ch1 tightly, ch 4, *5 dc in ring, remove hook from loop, insert hook in first dc and draw loop through, ch 1 tightly, (bobble made), ch 4, repeat from *, join – 3 bobbles and 3 ch 4 spaces.

Round 2: *In next ch space work 1 sc, 1 hdc, 3 dc, 1hc, 1 sc (petal), ss in top of bobble, repeat from * 2 times more, join. Fasten off.

Suggested Color Pattern for Rounds: This is not set in stone, it is a suggestion only and you should follow your own likes so that you make it YOUR afghan

- 5 rounds – RED
- 4 rounds – BLUE
- 1 round – BLACK
- 4 rounds – BLUE
- 1 round – BLACK

4 rounds – RED
1 round – BLACK
5 rounds – RED
1 round – BLACK
6 rounds – RED
3 rounds – BLUE
1 round – BLACK
6 rounds – BLUE

The only thing that should not change is that there is one round of black because it is the “web” and would not look right if made wider.

The afghan can be made to any size with additional yarn.

NOTE:

Continue working in rounds in colors and pattern established, always working 1 round with small shell, and 2 rounds with large shell. Continue repeating rounds 7, 8, 9. Work those three rounds over and over, regardless of the color used for the rounds. That is what keeps the afghan flat as it increases in size. Also, make the afghan as large as you want. The size is not ‘set in stone.’

WEBBING:

To make “ribs” of the web, work from outer edge to middle of afghan.

Attach BLACK yarn in the ch-2 sp at the top of any point. (Ch 3, sl st in ch-2 sp of next round) for all BLUE and RED rounds. (Ch 2, sl st in ch-2 sp) for all BLACK rounds. Finish off.

Repeat 11 times. Weave in ends.

BORDER:

Attach blue yarn in any stitch. *Ch 1, rev sc in ea st around, with (2 rev sc) in ea ch-2 sp. Finish off. Weave in ends.

NOTE:

From Round 7 onward, you will work 1 round with small shell, then 2 rounds with large shell. Regardless of color, follow that sequence. Red and blue rounds are always dc, black rounds are always sc.

NOTE:

The round count for the colors used were only the number of rounds that were in each color of the afghan pictured above. Each one I have made has a different number of rounds in red and blue, black rounds are always only one round because it represents the web itself.
